

# Chicago History Museum Parking

Public parking is conveniently located one block north of the Museum at Clark and LaSalle Streets. Enter on Stockton Drive. The secure, well-lit parking facility is open 24 hours a day, 365 days a year. The lot can accommodate up to 460 cars.

## Accessibility

Specially located spots have been reserved for persons using mobility devices.

## Self-Parking

Event guests may self-park in the parking lot. Upon entering or exiting the museum, attendees may have their tickets validated at the front desk. The validated rate is \$11.00 per vehicle for 24 hours.

## Hosted Parking

If you would like to provide parking for your guests, you may purchase passes at \$11.00 each. A credit card needs to be provided and will be kept on file, at least ten days prior. The balance must be received 3 business days following the event. We do require a credit card on file for this service.

For hosted parking, guests self-park in the lot. Parking passes are distributed at the event, and then used by the guests to exit.
