

# CORE COMPETENCIES FOR PEER WORKERS IN BEHAVIORAL HEALTH SERVICES

## Category I: Engages peers in collaborative and caring relationships

This category of competencies emphasized peer workers' ability to initiate and develop on-going relationships with people who have behavioral health condition and/or family members. These competencies include interpersonal skills, knowledge about recovery from behavioral health conditions and attitudes consistent with a recovery orientation.

1. Initiates contact with peers
2. Listens to peers with careful attention to the content and emotion being communicated
3. Reaches out to engage peers across the whole continuum of the recovery process
4. Demonstrates genuine acceptance and respect
5. Demonstrates understanding of peers' experiences and feelings

## Category II: Provides support

The competencies in this category are critical for the peer worker to be able to provide the mutual support people living with behavioral health conditions may want.

1. Validates peers' experiences and feelings
2. Encourages the exploration and pursuit of community roles
3. Conveys hope to peers about their own recovery
4. Celebrates peers' efforts and accomplishments
5. Provides concrete assistance to help peers accomplish tasks and goals

## Category III: Shares lived experiences of recovery

These competencies are unique to peer support, as most roles in behavioral health services do not emphasize or even prohibit the sharing of lived experiences. Peer workers need to be skillful in telling their recovery stories and using their lived experiences as a way of inspiring and supporting a person living with behavioral health conditions. Family peer support worker likewise share their personal experiences of self-care and supporting a family-member who is living with behavioral health conditions.

1. Relates their own recovery stories, and with permission, the recovery stories of others' to inspire hope
2. Discusses ongoing personal efforts to enhance health, wellness, and recovery
3. Recognizes when to share experiences and when to listen
4. Describes personal recovery practices and helps peers discover recovery practices that work for them

## Category IV: Personalizes peer support

These competencies help peer workers to tailor or individualize the support services provided to and with a peer. By personalizing peer support, the peer worker operationalizes the notion that there are multiple pathways to recovery.

1. Understands his/her own personal values and culture and how these may contribute to biases, judgments and beliefs
2. Appreciates and respects the cultural and spiritual beliefs and practices of peers and their families
3. Recognizes and responds to the complexities and uniqueness of each peer's process of recovery
4. Tailors services and support to meet the preferences and unique needs of peers and their families

## Category V: Supports recovery planning

These competencies enable peer workers to support other peers to take charge of their lives. Recovery often leads people to want to make changes in their lives. Recovery planning assists people to set and accomplish goals related to home, work, community and health.

1. Assists and supports peers to set goals and to dream of future possibilities
2. Proposes strategies to help a peer accomplish tasks or goals
3. Supports peers to use decision-making strategies when choosing services and supports
4. Helps peers to function as a member of their treatment/recovery support team
5. Researches and identifies credible information and options from various resources

## Category VI: Links to resources, services, and supports

These competencies assist peer workers to help other peers acquire the resources, services, and supports they need to enhance their recovery. Peer workers apply these competencies to assist other peers to link to resources or services both within behavioral health settings and in the community. It is critical that peer workers have knowledge of resources within their communities as well as on-line resources.

1. Develops and maintains up-to-date information about community resources and services
2. Assists peers to investigate, select, and use needed and desired resources and services
3. Helps peers to find and use health services and supports
4. Accompanies peers to community activities and appointments when requested
5. Participates in community activities with peers when requested

## Category VII: Provides information about skills related to health, wellness, and recovery

These competencies describe how peer workers coach, model or provide information about skills that enhance recovery. These competencies recognize that peer workers have knowledge, skills and experiences to offer others in recovery and that the recovery process often involves learning and growth.

1. Educates peers about health, wellness, recovery and recovery supports
2. Participates with peers in discovery or co-learning to enhance recovery experiences
3. Coaches peers about how to access treatment and services and navigate systems of care
4. Coaches peers in desired skills and strategies
5. Educates family members and other supportive individuals about recovery and recovery supports
6. Uses approaches that match the preferences and needs of peers

## Category VIII: Helps peers to manage crises

These competencies assist peer workers to identify potential risks and to use procedures that reduce risks to peers and others. Peer workers may have to manage situations, in which there is intense distress and work to ensure the safety and well-being of themselves and other peers.

1. Recognizes signs of distress and threats to safety among peers and in their environments
2. Provides reassurance to peers in distress
3. Strives to create safe spaces when meeting with peers
4. Takes action to address distress or a crisis by using knowledge of local resources, treatment, services and support preferences of peers
5. Assists peers in developing advance directives and other crisis prevention tools

## Category IX: Values communication

These competencies provide guidance on how peer workers interact verbally and in writing with colleagues and others. These competencies suggest language and processes used to communicate and reflect the value of respect.

1. Uses respectful, person-centered, recovery-oriented language in written and verbal interactions with peers, family members, community members, and others
2. Uses active listening skills
3. Clarifies their understanding of information when in doubt of the meaning
4. Conveys their point of view when working with colleagues
5. Documents information as required by program policies and procedures
6. Follows laws and rules concerning confidentiality and respects others' rights for privacy

## Category X: Supports collaboration and teamwork

These competencies provide direction on how peer workers can develop and maintain effective relationships with colleagues and others to enhance the peer support provided. These competencies involve not only interpersonal skills but also organizational skills.

1. Works together with other colleagues to enhance the provision of services and supports
2. Assertively engages providers from mental health services, addiction services, and physical medicine to meet the needs of peers
3. Coordinates efforts with health care providers to enhance the health and wellness of peers
4. Coordinates efforts with peers' family members and other natural supports
5. Partners with community members and organizations to strengthen opportunities for peers
6. Strives to resolve conflicts in relationships with peers and others in their support network

## Category XI: Promotes leadership and advocacy

These competencies describe actions that peer workers use to provide leadership within behavioral health programs to advance a recovery-oriented mission of the services. They also guide peer workers on how to advocate for the legal and human rights of other peers.

1. Uses knowledge of relevant rights and laws (ADA, HIPAA, Olmstead, etc.) to ensure that peer's rights are respected
2. Advocates for the needs and desires of peers in treatment team meetings, community services, living situations, and with family
3. Uses knowledge of legal resources and advocacy organization to build an advocacy plan
4. Participates in efforts to eliminate prejudice and discrimination of people who have behavioral health conditions and their families
5. Educates colleagues about the process of recovery and the use of recovery support services
6. Actively participates in efforts to improve the organization
7. Maintains a positive reputation in peer/professional communities

## Category XII: Promotes growth and development

These competencies describe how peer workers become more reflective and competent in their practice. The competencies recommend specific actions that may serve to increase peer workers' success and satisfaction in their current roles and contribute to career advancement.

1. Recognizes the limits of their knowledge and seeks assistance from others when needed
2. Uses supervision (mentoring, reflection) effectively by monitoring self and relationships, preparing for meetings and engaging in problem-solving strategies with the supervisor (mentor, peer)
3. Reflects and examines own personal motivations, judgments, and feelings that may be activated by the peer work, recognizing signs of distress, and knowing when to seek support
4. Seeks opportunities to increase knowledge and skills of peer support
