Dear Friends at the HINDA Institute:

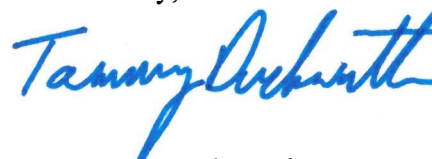

I am honored to recognize The HINDA Institute for your contributions to our community as you gather for your annual event. For close to 40 years, your staff has provided immense support to individuals and families navigating the criminal justice system.

Your theme this year, "Justice and Compassion," reflects the essence of your mission. Through counseling, rehabilitation services, visitation, advocacy, holiday services, educational programs, financial assistance and employment and housing services, you provide critical support that helps reduce recidivism and break the cycle for children and families.

Thank you for your efforts and the profound impact you have on the lives of Illinois residents.

I wish you continued success in the future.

Sincerely,

Tammy Duckworth
United States Senator
