Dear Friends and Neighbors:

Congratulations to Hinda Institute on another year of service through their important mission of helping individuals and families navigate the criminal justice system and re-entry to society. This segment of the population is chronically under-supported, which makes Hinda's work and tireless compassion and advocacy all the more important.

As Alderman of Chicago's 50th Ward, I recognize the importance of events like this that bring communities together to promote awareness and action. I want to commend Hinda Institute for its efforts in promoting positive change in our community. I look forward to continuing to work together to promote justice and compassion.

Sincerely,

Debra Silverstein
Alderman, 50th Ward
