Dear Friends:

I am sending my warmest greetings to everyone gathered for the Hinda Institute's "Justice and Compassion" event. I am glad to have an organization like the Hinda Institute operating within the local community, and I am grateful for all the good work they do on behalf of residents in the area.

I applaud the Hinda Institute's ongoing efforts providing supports for individuals working through the justice system. Their goal of reducing recidivism is laudable and I wish them nothing but success moving forward.

While I cannot be there in person, I am sure that Honorable Rachel Freier, a sitting Justice on the New York Supreme Court, will deliver remarks that uplift the spirit and reinforce the underlying motivations that propel this great organization.

On behalf of the residents of the 9th Congressional District of Illinois, I hope that this event is as successful as those in years past and I look forward to continued good work from the Hinda Institute in the years ahead.

Very Sincerely,
